FROM : Contracting Officer, Project AQUATONE

SUBJECT: Proposal for 9" x 9" Projector

1. Attached is a proposal from The Perkin Elmer Corp. *AL-30-56* for design and construction of a 9" x 9" Projector. It is requested that this proposal be reviewed and, if satisfactory, your approval thereof be submitted to the undersigned at the earliest practicable date.

2. It is proposed that this additional work, if approved, will be procured by reinstating terminated Contract No. AL-30-56 which provided for three (3) standard width film projectors. Should the total cost of the 9" x 9" Projector when added to the termination cost of the standard width projector exceed the \$28,740 transferred to Project AQUATONE for the initial procurement, your office will be requested to provide the additional funds necessary for this procurement.
